

# SPICES

---

GCG Pvt Ltd is a company that specialises in the production and exportation of various spices and seasonings from India. To ensure authentic flavours and aromas, the company sources its spices from local farmers and suppliers, using traditional methods. The company's product line includes whole spices, ground spices, spice blends, and seasonings. Its products are sold in markets all over the world and are well known for their exceptional flavour and versatility in the kitchen.

GCG Pvt Ltd takes pride in its commitment to sustainable and ethical practises, ensuring that its suppliers are paid fairly and that all of its operations are environmentally responsible. Indian Spices Manufacturer and Exporter is a trusted name in the industry, with a passion for traditional Indian flavours and a commitment to excellence.

## TURMERIC

Turmeric, also known as the golden spice, has been used for centuries in applications such as food, dyeing, and medicine. This valuable condiment, which is bright yellow in colour, has immense healing properties and is also high in essential nutrients required by our bodies. Have you ever considered that incorporating turmeric into your daily diet can help you meet your iron, potassium, vitamin C, and manganese requirements?

GCG Pvt Ltd., one of India's leading turmeric suppliers, exporters, and manufacturers, can thus assist you in obtaining this valuable spice in a hassle-free manner. Whatever your needs are, whether commercial or personal, we can provide you with high-quality turmeric at a reasonable price. We have whole turmeric, turmeric finger from Guntur, ground fresh turmeric or turmeric powder, and dried turmeric to meet your requirements. Simply place an order with us, and we guarantee you will not be disappointed.

## BLACK PEPPER

Black pepper is one of the most widely used spices in the world, extracted from the peppercorns of the vine *piper nigrum*. It has a strong spicy flavour and provides nutritional value to food.

GCG Pvt Ltd. is India's largest supplier, exporter, and manufacturer of black pepper. We can provide you with high-quality black pepper at a reasonable price. Whatever your needs are, in whatever quantity you require, we can supply quality black pepper in whole or ground form to meet your needs. Simply contact us, and we will deliver black pepper to you in a hassle-free manner.

## GARLIC

Garlic has a spicy, tongue-tingling flavour that is used in a variety of culinary preparations and dishes around the world. Not only is it delicious, but its health and therapeutic benefits are highly valued around the world. As a result, there is a potential market for this exotic herb in both Indian and international markets. As a result, we at GCG Pvt Ltd are sourcing the highest quality garlic to meet the global demand for this promising herb.
